

Minnesota Asphalt Producers: MAPA Environmental Product Declaration (EPD) Grant Assistance Program Application

The Minnesota Asphalt Pavement Association (MAPA) is pleased to announce the launch of an assistance program to help asphalt producers implement Environmental Product Declarations (EPDs) for their asphalt mixtures. This program is funded through a state grant awarded to MAPA and is designed to lower barriers to EPD adoption and advance sustainability efforts across Minnesota, in compliance with state law.

About the Program:

Successful applicants will receive funding to cover the cost of an EPD software license for one of their asphalt plants in Minnesota. Producers who have already purchased an EPD software license are eligible for a rebate.

Application Instructions

Please complete this form and return it to MAPA by March 1, 2026. Applications will be reviewed on a rolling basis or until funds are exhausted.
