Hubbardston Veterinary Clinic is a privately owned, AAHA accredited small animal practice that is looking for another **FULL TIME VETERINARIAN** to join our team. We are not a Fear Free accredited practice, but each doctor and technician/assistant are individually certified. We focus on taking care of our clients, patients, and each other. We have all the staples to practice high quality medicine and have a boarded internist that consults on internal medicine cases and provides our abdominal ultrasounds. We work with and support a number of rescue organizations and are also honored to support a couple of police dogs from the surrounding area. Typical benefits. Ideal applicant will have a great work ethic with a kind demeanor towards people and animals and an ability to work as part of a tight knit team. Please contact Lauren Moreno, DVM laurenmoreno@charter.net

Join a great team doing great work to help pets in need! Keep a well-rounded work-life balance which includes 4-day workweeks, shorter hours, or other options. Second Chance Animal Services, a non-profit, has 4 hospitals offering the opportunity to work at one or multiple locations (Springfield, Southbridge, North Brookfield, and Worcester MA). Work with our current team of 10 veterinarians with numerous possibilities to explore your professional interests. New/recent graduates are eligible for our mentorship program which provides training and eligibility for PSFL forgiveness loan program. Salary range is 100-150k depending on experience and abilities. Come join us! www.secondchanceanimals.org

Marshfield Animal Hospital is a spacious state-of-the-art progressive, 5-doctor, Fear Free Certified hospital located in Marshfield, MA. We are currently seeking an **ASSOCIATE VETERINARIAN** to join our team. Patient care and client communication, and a healthy work-life balance are top priorities for our team. Our patient roster includes dogs, cats, and limited exotics. Our hospital is fully equipped to handle a wide range of internal medicine cases, dentistry, and advanced surgical cases. Experienced or newly graduated doctors are welcome to apply! Our benefits include a competitive salary, student loan repayment program for new graduates, health plan with vision & dental, 401K with match, CE allowance, paid time off and mentorship. Interested candidates please send resume to drjeffreybarrow@gmail.com

Bristol County Agricultural High School is looking for a **FULL-TIME VETERINARIAN**. This is a unique position, since it is both practicing outstanding small animal medicine, surgery and dentistry, and a portion of the day will be teaching high school students in a new state of the art Veterinary Science Center. Our school campus fosters a friendly and enriching learning environment that will train students for the Veterinary Assisting pathway. With your experience and expertise, you will have the opportunity to work both in the field as well as train the future of veterinary medicine in our new state of the art Veterinary Science Center, which we hope to establish as the learning epicenter in the South Coast region. This is a new program and we are looking forward to creating an exciting learning atmosphere for students and staff. If interested, please email a cover letter indicating why you would be a great fit for this position as well as a resume to kbraga@bcahs.com. For more information about our school, please visit www.bristolaggie.org

RETIRED? STILL WANT TO HELP PETS AND GET PAID – AND ON A SCHEDULE THAT WORKS FOR YOUR RETIRED LIFE?

Second Chance Animal Services offers veterinarians a unique opportunity to join the movement to get access to veterinary care to pets in need. You can help at vaccine clinics, see appointments, surgery or other veterinary duties that are making a difference in the lives of pets that otherwise may not get care. At SCAS, we help over 44,000 pets a year at our 4 non-profit hospitals (Worcester, Springfield, North Brookfield and Southbridge MA) and out in the community. Come join us and see how rewarding it can be! For more information on our retiree program go to: <https://www.secondchanceanimals.org/post-retirement-veterinarian-program/>

NOT RETIRED but are thinking of a career in an access to care non-profit hospital?

Contact us! We have a great work/life balance, great pay and benefits such as eligibility in the loan forgiveness program and a rewarding feeling of helping pets in the community. Our veterinarians enjoy their work and every day end their day knowing that they are making a difference! Our hospitals work hard to get veterinary services into the community to help pets. For more information on our work, go to www.secondchanceanimals.org You can also check us out on Facebook, Twitter and more to see how we are making a difference!

PRACTICES FOR SALE

Norfolk County

One-doctor established practice in a beautiful well-equipped modern facility. The hospital was previously a 3-doctor practice and could easily be expanded back to that level with the right opportunity. Grossing over \$800k. Owner willing to stay on during transition. Contact Chris Rocchio, DVM, Monarch Business Consulting at: (518) 852-8973 or monarchbc@gmail.com.

Outside Boston

Three-doctor small animal practice located just outside Boston, MA. Grossing over \$2.5M annually and growing. Referral agreements in place with local emergency treatment specialist and board-certified cardiologist. Property has plenty of room for future growth. Contact Chris Rocchio, DVM, Monarch Business Consulting at: (518) 852-8973 or monarchbc@gmail.com.

Vermont

One to two doctor small animal practice outside of Burlington, Vermont. Well equipped with large opportunity for growth. Owner wishes to retire. Small house included with sale of real estate. Contact Chris Rocchio, DVM, Monarch Business Consulting at: (518) 852-8973 or monarchbc@gmail.com.

Located in Eastern Massachusetts,

Norfolk County, this veterinary practice has been successfully established for over 25 years. This 2,400 sq. ft. quaint storefront is housed in a well-maintained strip mall/plaza with ample parking and bordered by residential zoning. The current one doctor practice has grossed \$530,000 in revenue in 2022 and is only open on weekdays so there is tremendous room for growth. The owner is motivated to sell quickly and is willing to consider reasonable offers. This is a perfect opportunity to be your own boss and practice exceptional veterinary medicine as you see fit. Contact Dr. Wilson at petdockw@comcast.net

Growing small animal hospital in Stratham, NH available for sale: 1500 sq ft space; with digital x-rays; avimark software; surgery unit; well equipped dental unit w/high speed drill; 2 exam rooms; new hydraulic surgery table; tonopen; laser AP. Owner grossing around 300,000 and wants to sell to health reasons. Clinic space space for lease and/or sale. This is a great starter practice or a satellite clinic opportunity. There is much growth potential in this upscale seacoast area. Grooming salon and dog training facility in same business park. Owner is seeking \$150k. Clinic offers acupuncture/chiropractic and is priced to sell now. Contact Dr. Lemire at douglasvmd@gmail.com
