Are you looking for a fulfilling full-time or part-time veterinary career in a mission driven organization serving pets in need? Do you want to help pets—including those from underserved communities—while enjoying a balance that allows you to thrive? At Second Chance Animal Services, we believe that every pet deserves access to quality veterinary care, and we're looking for compassionate VETERINARIANS to join our team and help make that vision a reality. We have pioneered the Access to Care model in Massachusetts, ensuring that pets receive the medical attention they need, regardless of their owners' financial circumstances. Our team of 24 veterinarians and highly skilled support staff work together across our four hospitals (Springfield, Worcester, Southbridge, and North Brookfield, MA) to provide the best possible care. We are looking for an experienced veterinarian to join one or more of our locations as we expand services. We offer a 4-day or 5-day workweek (full-time) or a flexible part-time schedule. No nights or weekends (or choose Saturday vaccine clinic events too). Great pay, benefits in an organization helping 56,000 pets a year!
