VETERINARIANS

Hubbardston Veterinary Clinic is a privately owned, AAHA accredited small animal practice that is looking for another **FULL TIME VETERINARIAN** to join our team. We are not a Fear Free accredited practice, but each doctor and technician/assistant are individually certified. We focus on taking care of our clients, patients, and each other. We have all the staples to practice high quality medicine and have a boarded internist that consults on internal medicine cases and provides our abdominal ultrasounds. We work with and support a number of rescue organizations and are also honored to support a couple of police dogs from the surrounding area. Typical benefits. Ideal applicant will have a great work ethic with a kind demeanor towards people and animals and an ability to work as part of a tight knit team. Please contact Lauren Moreno, DVM laurenmoreno@charter.net

Marshfield Animal Hospital is a spacious state-of-the-art progressive, 5-doctor, Fear Free Certified hospital located in Marshfield, MA. We are currently seeking an **ASSOCIATE VETERINARIAN** to join our team. Patient care and client communication, and a healthy work-life balance are top priorities for our team. Our patient roster includes dogs, cats, and limited exotics. Our hospital is fully equipped to handle a wide range of internal medicine cases, dentistry, and advanced surgical cases. Experienced or newly graduated doctors are welcome to apply! Our benefits include a competitive salary, student loan repayment program for new graduates, health plan with vision & dental, 401K with match, CE allowance, paid time off and mentorship. Interested candidates please send resume to drjeffreybarrow@gmail.com

RETIRED? STILL WANT TO HELP PETS AND GET PAID – AND ON A SCHEDULE THAT WORKS FOR YOUR RETIRED LIFE?

Second Chance Animal Services offers veterinarians a unique opportunity to join the movement to get access to veterinary care to pets in need. You can help at vaccine clinics, see appointments, surgery or other veterinary duties that are making a difference in the lives of pets that otherwise may not get care. At SCAS, we help over 44,000 pets a year at our 4 non-profit hospitals (Worcester, Springfield, North Brookfield and Southbridge MA) and out in the community. Come join us and see how rewarding it can be! For more information on our retiree program go to: <https://www.secondchanceanimals.org/post-retirement-veterinarian-program/> Not retired but are thinking of a career in an access to care non-profit hospital? Contact us! We have a great work/life balance, great pay and benefits such as eligibility in the loan forgiveness program and a rewarding feeling of helping pets in the community. Our veterinarians enjoy their work and every day end their day knowing that they are making a difference! Our hospitals work hard to get veterinary services into the community to help pets. For more information on our work, go to www.secondchanceanimals.org You can also check us out on Facebook, Twitter and more to see how we are making a difference!
