VETERINARIANS

ASSOCIATE VETERINARIAN – BOSTON. You'll have supportive staff both in the clinic and remotely to assist you with callbacks, scribing, and patient care. You'll have access to the best technology, a warm and welcoming clinic environment, and did we mention snacks? Above all, you'll be provided with the autonomy to practice your medicine how you see fit and be supported mentally, physically and financially. Mentorship and growth, personalized training, board-certified specialists for extra support, and positive culture. We have a highly-skilled remote team of nurses to lend support with client needs, triaging cases, and assisting with day-to-day tasks when things get busy in the clinic. Flexible employment models, no overnights and no hospitalizations overnight, CE stipends, 401(k), generous time off, and extra benefits. Pay Range: \$140,000-\$180,000 annually. Exact salary will depend on the position, location, and experience level. Requirements include DVM/VMD or foreign equivalent, state licensure in good standing or eligibility for licensure, and passion for Bond Vet's mission to provide a superior vet experience for both patients and employees.

Currently working elsewhere? We get it - the vet world is small. We're committed to a confidential and positive experience. Please apply at www.bondvet.com/careers

We are seeking a **FULL-TIME ASSOCIATE VETERINARIAN** to join our team. We are a privately owned, progressive 3 doctor, well-established, small animal veterinary hospital located on the lake in Webster, MA. We are looking for a doctor who is passionate about medicine, surgery, patient care, client education and customer service. This individual should encompass our goal of providing the highest-quality and compassionate medical care to which our clientele has become accustomed. Our focus is on preventative medicine and client education and many of our quality staff members have been with the practice long term. We have digital radiography (including dental radiography,) ultrasound, a complete on-site diagnostic laboratory as well as K-laser and a fully stocked pharmacy. Scheduled appointments are set Monday to Saturday. Doctor schedules consist of a 4 day work week with rotating Saturday mornings and one evening shift per week. This includes no on-call or after-hours emergencies. Salary range \$110k - \$130k but is negotiable with experience. As a private practice you will have the flexibility and freedom to practice good medicine as you see fit without scripted corporate guidelines. If you want to join a winning team dedicated to taking care of pets and the people who love them, please forward your resume for review to websterlakevet@gmail.com or contact Melissa Biello @ 508-943-7297

VETERINARY SPECIALIST! Are you a dedicated veterinary specialist with a heart for animals? Want to get paid to do a day, two days or more at our non-profit veterinary hospital with a mission to make a lasting impact on pets in need? We're on the lookout for compassionate professionals like you to contribute to our life-changing initiatives. At Second Chance Animal Services, we believe that every pet deserves quality care, regardless of their circumstances. As a veterinary specialist, you can play a pivotal role in transforming the lives of animals who require special attention and care. Whether you have a few hours to spare or want to dedicate a day to making a difference, we welcome your expertise. In particular we are looking for ophthalmology and cardiology. By joining us, you'll become part of a community-driven effort to

provide essential veterinary services to those who might not otherwise have access. Your skills can be the key to restoring health, happiness, and hope to countless furry companions. We have 26 veterinarians as part of our team and need you! Flexibility is at the core of our approach. We understand the demands of your profession, and we offer you the opportunity to choose when and how you contribute. Together, let's create a world where no pet is left behind. Ready to unleash your passion for animal welfare? Contact us at director@secondchanceanimals.org. Check us out at www.secondchanceanimals.org. Together, we can make tails wag, hearts heal, and dreams come true for pets in need! #MakeADifference

RELIEF VETERINARIAN

Are you in need of companion animal relief support in MA or CT? Drs. Farleigh & Gregory Krane collectively have over two decades of experience as relief veterinarians (and three decades as vets). We take pride in our commitment to providing excellent patient and client care, detailing cases with meticulous records so you can follow up appropriately, and treating your team members with the utmost of collegiality and respect, while also sharing some humor and a positive attitude. Please email us at kranedvms@gmail.com if you'd like to discuss how we can help you with your GP, UC, and/or ER needs.

TECHNICIANS

Part time technician is needed. Tuesday and Thursday 9AM to 4PM. Need to be able to handle dogs and cats for blood draws and vaccinations. Basic knowledge of surgeries and client questions is a must. Pay will be \$31.00 per hour. Contact Animal Center. Email is best. animalcenter365@gmail.com

PRACTICE FOR SALE

Western MA: Small animal Veterinary practice for sale.

Located just off a major Interstate highway. Stand alone building features 2 exam rooms, an ICU and treatment area, surgery suite and more. Reception area, surgery and treatment rooms have wonderful natural light. Currently a single doctor practice that can be easily expanded back up to two doctor practice as it was previously. It is located in a family friendly area with abundant recreational opportunities nearby. Local Community College and 5 major colleges are also nearby. Practice has been part of the local community for over 70 years, and we would like to see it continue to provide veterinary services to the community. Owner is willing to stay on to help this happen and ease the transition. For further information please contact: chblank@aol.com
