VETERINARIANS

Seeking Veterinarians for Affordable Care Clinic - the Rhode Island Community Pet Project (RICPP). The RICPP is offering full-day (paid) and half-day (volunteer) shifts working in a high-quality, full-service (medicine, surgery, dental, digital radiology and ultrasound) clinic serving pets of means-tested, low-income RI residents. We are dedicated solely to accessible, affordable veterinary care. Have an active RI license? Come join the veterinary team at RICPP on a schedule that works for you. Visit our website (ricpp.org) to learn more or contact Dr. Hank Wietsma (hwietsma@aol.com).

Join Advanced Veterinary Specialty Center of New England (AVSC), a privately owned, state-of-the-art specialty hospital in Walpole, Massachusetts. We are seeking compassionate urgent care veterinarians, specialists, and technicians who thrive in a collaborative, team-focused environment. Our growing hospital offers advanced technology including MRI, CT, radiation oncology, and expanding surgical services within a beautiful new facility designed to support exceptional patient care and work-life balance. Join a supportive culture where your skills, ideas, and professional growth truly matter while helping shape the future of specialty veterinary medicine in New England. Please send resumes to avsc@avscvets.com

Do you want a fulfilling full time or part time veterinary career in a mission driven organization serving pets in need? Do you want to help pets—including those from underserved communities—while enjoying a balance that allows you to thrive? At Second Chance Animal Services, we believe that every pet deserves access to quality veterinary care, and we're looking for compassionate veterinarians to join our team and help make that vision a reality. We have pioneered Access to Care services in Massachusetts, ensuring that pets receive the medical attention they need, regardless of their owners' financial circumstances. Our team of 26 veterinarians and highly skilled support staff work together across our four hospitals (Springfield, Worcester, Southbridge, and North Brookfield, MA) to provide the best possible care. We are looking for experienced veterinarians to join one or more of our locations as we expand services. We offer a 4-day or 5-day workweek (full-time) or a flexible part-time schedule. No nights or weekends (or choose Saturday vaccine clinic events too). Per diem for our Saturday community clinics is also needed. Great pay and benefits while helping 64,000 pets a year! For more details, please visit our career page at www.secondchanceanimals.org

Associate Veterinarian (Full-Time or Part-Time)

Join our privately owned, progressive 5-doctor small animal hospital on the lake in Webster, MA. We seek a compassionate veterinarian passionate about high-quality medicine, surgery, patient care, and client education. Enjoy modern equipment, an experienced long-term team, and the freedom to practice without corporate protocols. Schedule includes a 3–4 day work week, one rotating Saturday morning per month, one evening shift per week, and no on-call or after-hours emergencies. Salary: \$110,000–\$140,000, based on experience, plus excellent benefits. Submit your resume to learn more. Contact: Melissa Biello websterlakevet@gmail.com 508-943-7297

Seeking a part-time vet to work at our small animal privately owned hospital 1-2 days per week or every other week. We offer an exceptional support staff. Being an independent hospital allows flexibility that most other hospitals do not. Come join our team! Contact: Laura Valley, Clinton Veterinary Hospital / laurav@clintonvet.com / 978-368-8509

MANAGING VETERINARIAN – BROOKLINE, MA

For the veterinarian who wants to lead without leaving medicine behind. Small Door Veterinary is looking for a Managing Veterinarian in Brookline to practice thoughtful GP care while mentoring and developing fellow doctors. Our model gives you room to do both well: 30-minute appointments, protected admin time, strong nurse support, four 10-hour shifts, and no overnight or routine on-call responsibilities. This is hands-on clinical leadership, with the time and support to care deeply about the medicine, the team, and the people who trust you with their pets.

Contact: Jesse Michels | jesse.michels@smalldoorvet.com

MANAGING VETERINARIAN – BURLINGTON, MA

There is something special about helping shape a practice while it is still becoming itself. Small Door Veterinary is looking for a Managing Veterinarian in Burlington to care for patients, mentor doctors, and help build the clinical culture of a newer practice. You'll have 30-minute appointments, protected admin time, strong nurse support, four 10-hour shifts, and no overnight or routine on-call responsibilities. For a veterinarian who wants meaningful influence without giving up hands-on medicine, Burlington offers the chance to build something thoughtfully from the start. **Contact:** Jesse Michels | jesse.michels@smalldoorvet.com

MANAGING VETERINARIAN – NYC REGION

Leadership should not have to mean spending less time being a veterinarian. Small Door Veterinary is looking for Managing Veterinarians across the NYC region who want to keep practicing excellent GP medicine while coaching and developing other doctors. Our model gives you space for both: 30-minute appointments, protected admin time, strong nurse support, four 10-hour shifts, and no overnight or routine on-call responsibilities. If you care as much about helping veterinarians grow as you do about caring for patients, this is a chance to make both parts of your work matter. **Contact:** Jesse Michels | jesse.michels@smalldoorvet.com

“Modern Medicine, Traditional Values” In A Privately Owned Practice

Looking to provide exceptional care in a supportive and collaborative environment? NorthPaws, a privately owned AAHA accredited hospital located in Greenville, Rhode Island, is searching for a full or part-time veterinarian. Our primary focus is the happiness of our team, well-being of our patients, and client satisfaction. Six veterinarians and a tenured support staff of 25 deliver top-tier care integrating state-of-the-art technology in a collaborative and fun environment.

Competitive compensation, attractive sign-on bonus, extensive benefits, continuing education, flexible schedules and more. Send resume to Jill Ramsden, RN, CVPM at

JRamsden@NorthPaws.com www.northpaws.com

PRACTICE FOR SALE

Veterinary Practice & 3.5-Acre Estate For Sale – Millbury, MA

Rediscover the joy of medicine with this highly profitable, single-doctor small animal practice. Enjoy a perfect work-life balance, no commute on a serene property featuring gardens and acreage for hobby farm. Operating on an unhurried, stress free, appointment model, you can focus on one patient at a time. Delightful, dedicated clients offer a rewarding clinical environment. This turnkey facility includes two exam rooms, surgery, a lab, and radiology, with potential to expand. Love what you do again with clients who treat their pets like family and actively seek top-tier care! Contact: dvmpracticeowner@gmail.com

Bristol County, Massachusetts

This well-established two-doctor small animal practice has been a trusted part of the community for more than five decades, providing an exceptional opportunity for a new owner. The 2,013-square-foot hospital features two exam rooms and offers a comprehensive range of services, including preventive wellness care and emergency treatment. The practice offers digital radiography, digital dental, ultrasound, and an in-house lab and pharmacy. Extensive renovations were completed in 2018. The practice sits on a well-traveled commercial thoroughfare, ensuring strong brand recognition. For more information contact Bryan Brackett, Executive Director of Business Development, New England at (207) 671-7868 or bbrackett@monarchpracticetransitions.com

One Doctor Practice In Southwest New Hampshire

One doctor small animal practice grossing over 1.8M in Cheshire County, New Hampshire. This state-of-the-art 5,000 square foot new building was constructed in 2017 and features four examination rooms, a surgery suite, digital x-ray, in-house pharmacy and laboratory. The practice is ideally situated to transition into a multi-doctor operation. Situated on a high-volume road where approximately 10,000 cars pass each day, this property also offers a stunning view of Mt. Monadnock.
