WILDLIFE TRIAGE FOR THE SMALL ANIMAL PRACTICIONER VIRTUAL WEBINAR

SUNDAY JUNE 9TH 2024.

Does your small animal practice get wildlife calls or admissions? Would you like to learn the most up to date stabilization, handling, and treatment skills to help these animals before they are transferred?

Are you thinking about establishing a relationship with a wildlife hospital and or licensed rehabilitator?

If so, this is the course for you!

Course Fee : \$300 per person

Email priya.patel@newwildlife.org to reserve your spot!
