

PET OXYGEN MASK PROGRAM

In one year alone, nearly 30,000 fire incidents were reported in the Commonwealth of Massachusetts, with almost half happening in residential homes. In order to ensure the proper care and safety of pets during these unfortunate occurrences, the MVMA established the Pet Oxygen Mask Program to donate pet oxygen mask kits to every municipality in MA.

IT'S EASY!

For your \$125 donation, the MVMA Charities will send a new Pet Oxygen Mask Kit to the recipient of your choice.

Equipping your community with these devices is a great comfort to a pet owner and may save your beloved furry friend one day.
