

# EaglePicher at a Glance

# Strategic Business Units

## Defense

- Missiles
- Precision Guided Munitions
- Long-Range Precision Fire
- Directed Energy
- Unmanned Underwater Vehicles
- Energetic Devices

## Aerospace

- Military Aviation
- Unmanned Aerial Vehicles
- Space Exploration
- Launch Vehicles
- Satellites
- Civil/Commercial Aviation

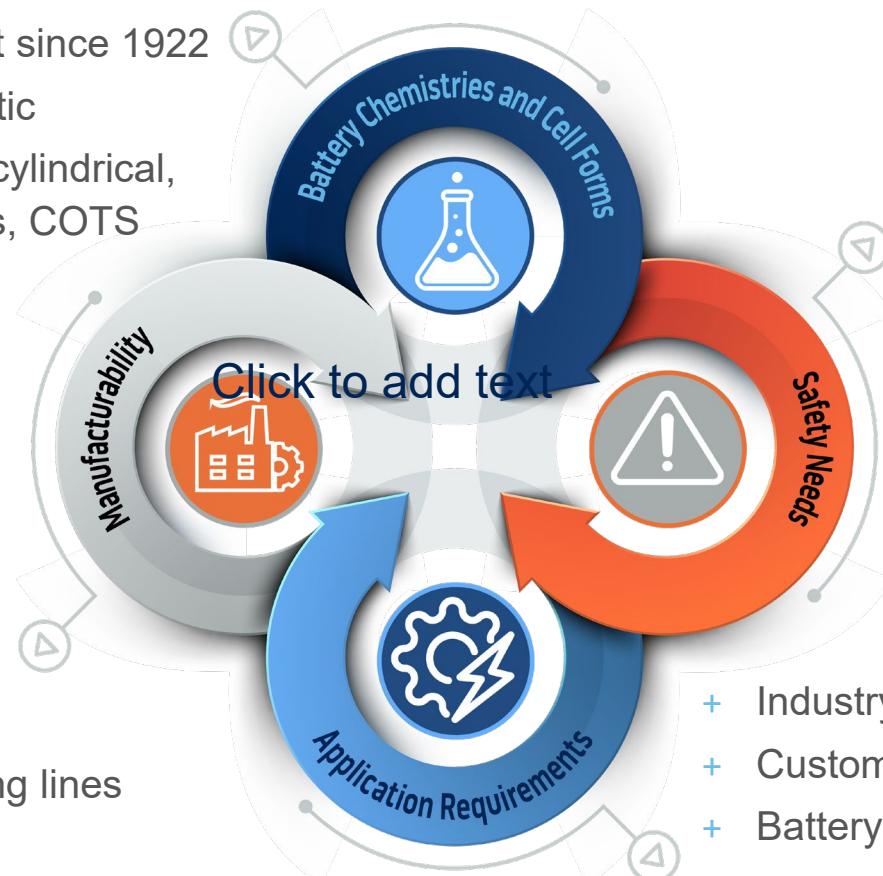

## Medical

- Neuromodulations
- Cardiac Monitors and Diagnostics
- Cardiac Rhythm Management
- Drug Delivery
- External Battery Packs and Cells

# EaglePicher Value

- + Cell development since 1922
- + Chemistry agnostic
- + Experience with cylindrical, pouch, prismatic, COTS
- + Large manufacturing footprint
- + Title III LIMA facility
- + Automated thermal high-volume facility
- + Rapid prototyping
- + Modular manufacturing lines

- + Regulatory compliance
- + In-house environmental test labs
- + Battery management systems
- + Cell propagation mitigation
- + Industry expertise
- + Custom energy storage solutions
- + Battery development
