

**The leading traceability solution  
for the battery supply chain**

**Doug Johnson-Poensgen**  
CEO, Circulator

Responsible & sustainable  
resourcing

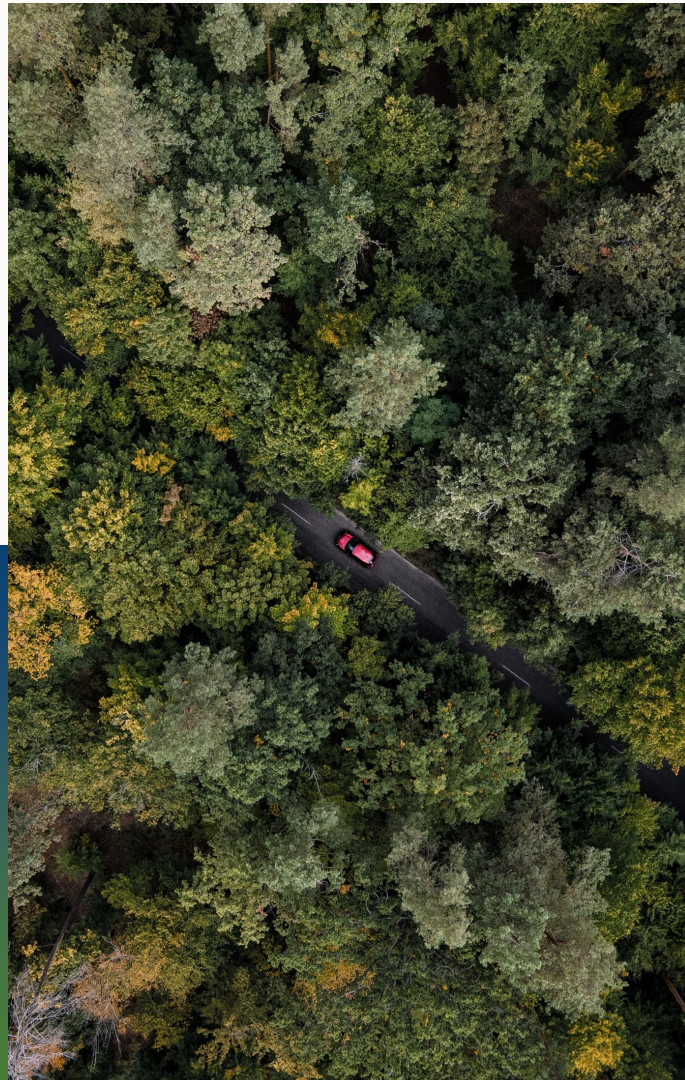

Proof of origin of materials

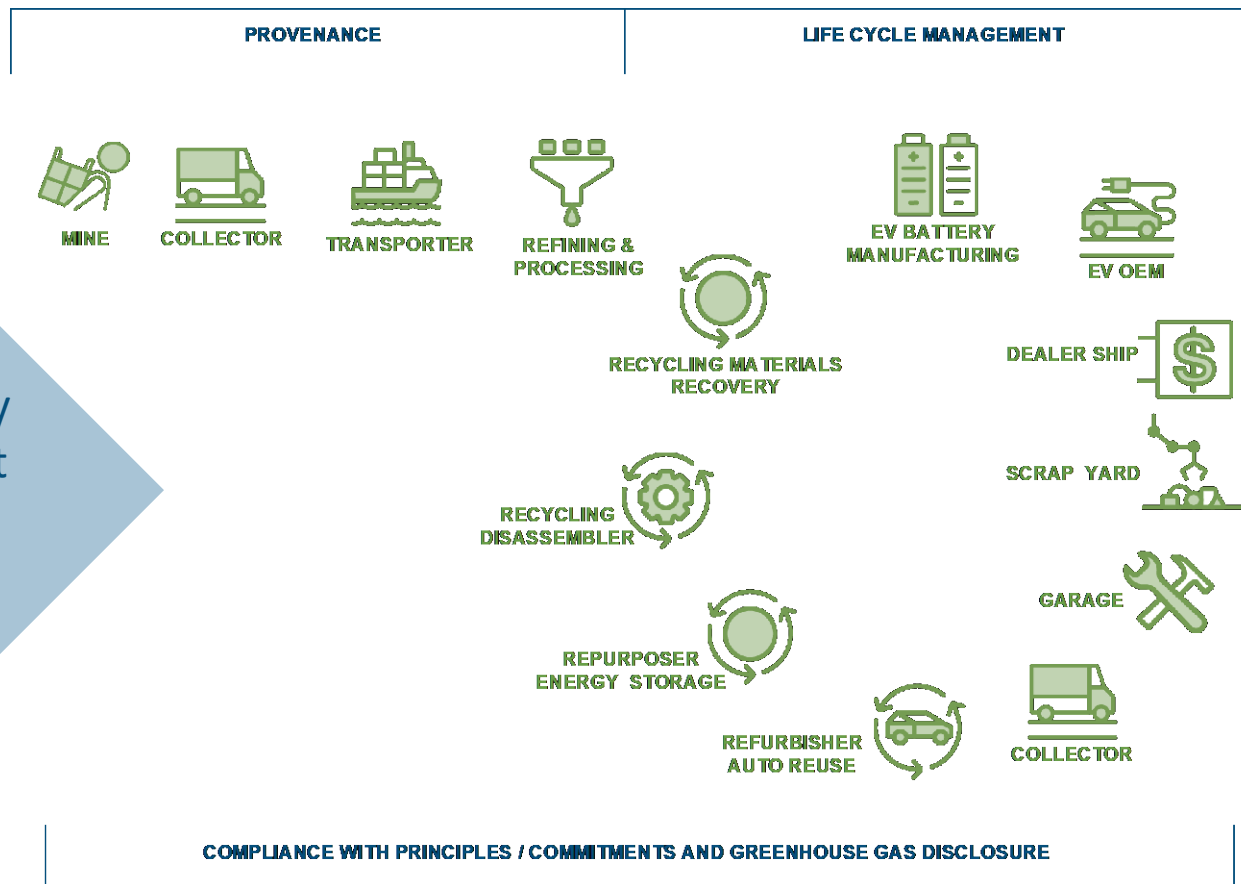

Managing inherited emissions

all require **traceability**

Information transparency  
is a crucial enabler to net  
zero, rules of origin and  
the circular economy

# Circular's solution

Driving operational efficiencies. Creating confidence in every business decision.

Material journey

Attributed CO<sub>2</sub> footprint

ESG performance

Reporting and analytics

## Exponential demand

## Let's tackle supply chain visibility together

-  Reducing risk
-  Increasing value
-  Creating competitive advantage
