<a href="#">H 13</a>	Charges for Credit & Charge Cards	N	1/29/25	4/29/25					Caps at 3% the charge that a merchant can assess for payments by credit card or debit card (or caps at the charge the merchant pays to a payment card entity to facilitate or process the payments) but there can be no additional charge if only credit cards or charge cards are accepted by the merchant; unclear if the Senate will take up the bill if it crosses to that chamber; the bill appeared to fail the May 8 crossover deadline but on 6/24/25 the House Judiciary 1 committee added an increased fee for filing articles of incorporation with the Secretary of State, likely in an attempt to put the bill within an exemption to the crossover deadline

<a href="#">H 79</a>	North Carolina Work and Save	N	2/11/25	6/25/25					Would create a small business retirement savings program to be administered by a board placed for

<a href="#">H 188</a>	Automatic Renewal of Contracts	N	2/24/25	3/11/25	5/7/25				Amends requirements for certain automatically renewing consumer contracts; initially the bill would have eliminated the exemption in a statute for banks and a variety of other businesses; after continued engagement with the primary sponsor, the exemption for banks was restored so as to prevent significant impacts on

									version: “Homestead exemption from forced sale” which has important implications for writs of execution/foreclosure; it protects a debtor’s primary residence from forced sale if it has been the primary residence for at least 40 consecutive months from the date of purchase (for claims in bankruptcy) or 24 consecutive months from the date of purchase for all other claims; the exemption is inapplicable in a number of instances, including as against claims “for payment of obligations contracted for the purchase of the specific real property affected;” perplexingly, doesn’t contain an exemption for refinances, which would appear to be a violation of the US Constitution’s contracts clause
<a href="#">H 462</a>	Personal Data Privacy/Social Media Safety	N	3/19/25	4/29/25					Exempts “Any financial institution or affiliate of a financial institution, all as defined in 15 U.S.C. § 6809, to the
