North Central Electrical Engineering Society

Scholarship Program

2026

NCEES SCHOLARSHIP INFORMATION

APPLICATION DEADLINE: APRIL 30TH

The North Central Electrical Engineering Society awards $1,500 scholarships to dependent children of NCEES members. NCEES works vigorously to help you get started in the electrical industry and give back to our members.

BENEFITS OF THE NCEES SCHOLARSHIP:

- Promotes the electrical industry
- Promotes NCEES membership benefits
- Provides a valuable financial benefit directly to members
- Encourages advanced education career paths for those meeting scholarship criteria

NCEES HAS AWARDED $43,000 IN SCHOLARSHIPS TO CHILDREN OF NCEES MEMBERS

ELIGIBILITY & APPLICATION REQUIREMENTS:

Current year high school graduates must meet ALL of the following:

- Must maintain a 3.0 GPA on a 4.0 GPA scale OR score 21 on your ACT.
- Be accepted into an accredited college/university/technical school and provide a copy of the letter of acceptance
- Submit the most recent transcript to verify GPA and full-time undergraduate status
- Complete the application form and required essay

Current year undergraduates must meet ALL of the following:

- Maintain a 2.5 GPA on a 4.0 GPA scale
- Be currently enrolled in an accredited. college/university/technical school in undergraduate studies.
- Be enrolled as a full-time undergraduate student, taking at least 12 credits/term.
- Submit the most recent transcript to verify GPA and full-time undergraduate status
- Complete the application form and required essay

Essay Requirements:

- All applicants must submit a 300-word essay answering the question below:
  - “In your opinion, what was the best advancement in this industry in the last five years?”
- Online essays must be submitted in MLA style and formatted in PDF to be accepted

SUBMITTING YOUR APPLICATION:

- Include all required documentation in one package to the NCEES office via postal mail, online, or email before the deadline at the address listed below.

ONE APPLICATION PER STUDENT:

- With no limit on the number of applicants per family. Applicants winning an NCEES Scholarship may re-apply for future scholarship awards based on the applicant’s qualifications and eligibility requirements. Graduate students are not eligible. ***Reminder: Your parent must attend at least one NCEES meeting per season to be eligible for the drawing. Additional entries will be added per meeting attended.***

SELECTION OPPORTUNITIES:

- Winners will be selected via a random drawing of eligible and qualified applicants to alleviate any bias. The drawing will take place on May 19, 2026, at the NCEES meeting. Applicants will be notified of the results shortly after the drawing. Scholarship checks are made payable to the school, with winners’ name in the memo line of the check, and postal mailed to the NCEES member parents’ home address as indicated on the application. Scholarship checks issued in August for use in the fall semester. ***Please note:*** If you are not selected as a winner in the random NCEES Scholarship drawing in May 2026, you will be automatically entered into the NCEL Scholarship Program. There is no need to reapply. The NCEL random drawing will take place in July 2026.

I understand that the members of the North Central Electrical Engineering Society and their Board of Advisors reserves the right to revoke scholarship funds to any recipient should the recipient fail to meet any academic standards required by your accredited institution, or for any reasons determined by the Board of Advisors. I understand that the number and amount of the scholarship award(s) will be determined annually by the Board of Advisors. I understand that I may only receive one internship or scholarship per calendar year from NCEL, NCEES and its affiliates. Winner(s) will be selected by a random drawing of all qualified candidates. I understand that my essay may be posted on the NCEES website.

To the best of my knowledge, this Scholarship Application and related attached documents are accurate. Please sign below:
