### **UNUSUAL SITUATIONS**

Questions will arise which may not be specifically covered by these By-Laws. Most issues, including those pertaining to Societal governance, finance, or contractual obligations with external entities, shall be directed to the Board of Directors. Issues regarding policy shall first be directed to the NHMS council for development of recommendations. In general, issues may be resolved by majority vote of the appropriate body if deemed necessary.

**ARTICLE SEVENTEEN.**

**REPEAL**

All rules, regulations, constitutions, customs, practices, or By-Laws heretofore adopted or followed, to the extent inconsistent with these By-Laws, are hereby repealed and discontinued.

**ARTICLE EIGHTEEN.**

**AMENDMENTS**

These By-Laws may be amended at any meeting of the General Session by a majority vote of all the members present at the meeting.

Any proposed amendments to the bylaws must be circulated to the membership for review at least 30 days prior to any proposed meeting of the General Session (in writing or digitally), and made available to active members online via the NHMS webpage.

While only members in attendance at the General Session will vote on By-law amendments, commentary and suggestions received prior to the General Session from active-members who cannot attend must be reviewed and discussed. Multiple comments related to a single item may be collated and reviewed together as a recurring issue.

**ARTICLE NINETEEN.**

**INDEMNIFICATION**

Each present and future member and officer of the Board and the Council, whether or not then in office, and each executive officer of the Society, will be indemnified by the Society against expenses actually and reasonably incurred by or imposed upon him (including but without being limited to, settlements, judgments, costs, and counsel fees) in connection with the defense of any administrative, civil or criminal action, suit or proceeding in which he or she is made a party by reason of being or having been a member or officer of the Board or Council or an executive officer of the Society, except in relation to matters as to which he or she will be actually adjudged in such action, suit or proceedings to be liable for gross negligence or misconduct in the performance of duty to the Society.
