

Active Violence Incident Response And Pre-Incident Preparation

Run

Evacuate whether others agree or not.

Leave your belongings behind.

Assist others.

- I have identified at least two viable emergency exits from my work station!*

Hide

Out of sight, lights off, lock/barricade doors.

Space out if in a group, silence cell phones.

Make and rehearse your plan of attack!

- I have identified at least two defensible spaces near my work station!*

Fight

Attempt to incapacitate the shooter

If the suspect(s) enter your area, act with physical aggression and improvised weapons.

Be committed to your actions. Never give up!

- I have identified at least two objects that I can use if fighting is necessary!*

It is strongly suggested you discuss this training with coworkers who jointly occupy your workspace to ensure everyone understands the appropriate responses to this type of violent incident.
