

MEET JAMES GROMER

James Gromer, Attorney at Law (Gromer & Butchart, PLC) currently serves on the PMAM Board of Directors and the Executive Committee as Secretary. He also chairs the PMAM Legislative Group and the PMAM Legislative Advocacy Group and serves on the PMAM Continuing Education Committee. In addition, he serves on the Board of Directors of the Property Management Association of Mid-Michigan (PMAMM) and its Education Committee.

James is a dedicated educator, teaching Fair Housing, Risk Management, and a wide range of legal topics for PMAM, MSHDA, and his clients. He has also taught the “Legal Section” for all of Michigan’s local apartment associations. Importantly, he has donated his time so that the associations can raise funds to support education and other member programs.

With decades of housing law experience, James represents many PMAM members and brings a deep understanding of the challenges and opportunities facing our industry. He believes board service should focus on volunteerism, not financial interest, and is committed to fostering collaboration among management companies, owners, and vendors. James offers a strong, informed voice and a unique perspective that will help advance PMAM’s mission.
