

# Nailed It! The Multifamily Maintenance Game Show

Mark Sharp

## Session Description:

- Get ready to laugh, compete, and learn! This high-energy session turns maintenance training into an interactive *Feud-style* game show where the audience participates through live polls. You'll test your knowledge on real-world maintenance scenarios, pick up best practices from industry pros, and discover new tricks to keep your communities running smoothly. Whether you're playing along or cheering from the sidelines, you'll walk away with practical insights, a stronger maintenance mindset, and maybe even bragging rights as the ultimate multifamily "fix-it" champion.
