

PMJA Board Meeting 5/27/21

Members Present: Johnathan, Gabrielle, Reginald, Vinnie, Ariel, Brent, LaToya

ED Search Update – Johnathan reported that the Search Committee met yesterday. He shared the proposal from Livingston regarding advertising for the position. He asked for input from the board on what they think. Vinnie would be interested to know what they'd do on social. She feels social might be more successful. Gabrielle agrees. We need to know more about the social plan before making a decision. She likes the idea of the affinity groups, but we should cut back on some of the legacy postings. Maybe keep Current. Johnathan will ask Livingston what the social media plan would be. LaToya seconds going with the affinity groups. Current and Linked in seem valid. Johnathan will check on those items.

Website Update: The plan is to go live with the new website on June 4. Christine shared the link to the working site on the board general channel.

Elections – Christine reminded everyone to reach out to potential board members to encourage them to run.

Conference – Christine reviewed the conference description. Suggestion that we do a pre-recorded session with Terry about the ED job. We also should invite Terry to come to the awards ceremony.

Board Call June 3? – Does board feel the need to have another board call? Maybe we just keep it at our regular time on June 17. Ariel will be a little late.

Meeting adjourned at 3:40 p.m.
