

**Leadership during Times of Crisis:  
Leading from the Front Lines**

Andrew J. Patterson, M.D., Ph.D.  
Professor and Chair

1

2

### Objectives

- The **heterogeneous impact** of COVID19
- Joining **the fight** on the **front lines**
- The **potential risks**

3

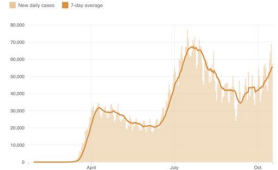

### Objectives

- The **heterogeneous impact** of COVID19
- Joining **the fight** on the **front lines**
- The **potential risks**

4

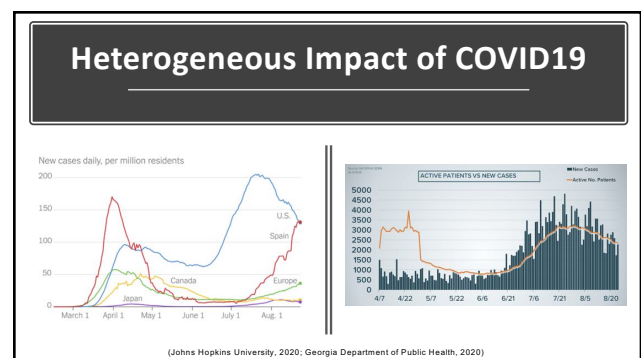

### COVID Heterogeneous Pandemic Truths

- None of our situations are completely **alike**
- All of our situations are **similar**
- COVID19 cases are increasing again
- Most of us will have a turn at **leading** a Department of Anesthesiology in a **hot zone**
- The **Chair's guide** to navigating through an infectious disease pandemic is still being written, so you'll be doing a lot of **improvising**

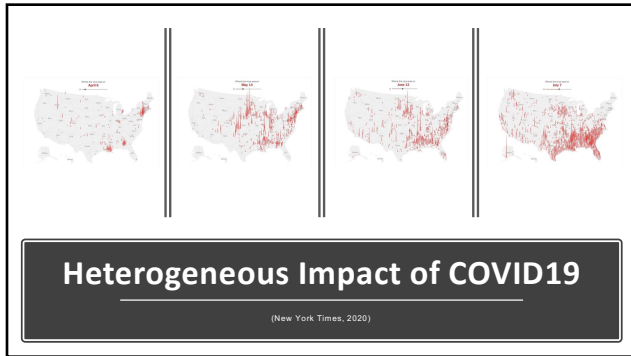

(NPR, 2020)
