# Program Information

## Jointly sponsored by:

American Society of  
Anesthesiologists 

and

SOCIETY FOR  
**SAMBA** AMBULATORY  
ANESTHESIA

## Target Audience

This meeting is designed for anesthesiologists and anesthesia providers and practitioners who specialize in ambulatory or office-based anesthesia.

## About This Meeting

Topics for this meeting were selected by the committee on OBA, Board members, reviews of the published literature with the highest impact on the specialty, and by soliciting suggestions from members of SAMBA active in the clinical practice of ambulatory anesthesia. These suggestions were discussed by our authorities in the field of ambulatory anesthesia.

The purpose of this meeting is to educate and share information that will enable office-based practitioners to provide the highest level of ambulatory anesthesia services and improve patient outcomes.

## CME Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the American Society of Anesthesiologists and the Society for Ambulatory Anesthesia. The American Society of Anesthesiologists is accredited by the ACCME to provide continuing medical education for physicians.

## AMA

The American Society of Anesthesiologists designates this live activity for a maximum of *6 AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

## Disclosure

The American Society of Anesthesiologists and the Society for Ambulatory Anesthesia adheres to ACCME Essential Areas, Standards, and Policies regarding industry support of continuing medical education. Disclosure of the planning committee and faculty's commercial relationships will be made known at the activity. Speakers are required to openly disclose limitations of data and/or any discussion of any off-label, experimental, or investigational uses of drugs or devices in their presentations.

## Disclaimer

The information provided at the above CME activities is for continuing medical education purposes only and is not meant to substitute for the independent medical judgment of a physician relative to diagnostic and treatment options of a specific patient's medical condition.

## Statement of Need

The SAMBA OBA Meeting provides a forum devoted to office-based anesthesia offering clinically relevant lectures and panels; highlights of innovative office-based practices; networking opportunities with peers and experts in the field; and exposure to relevant products/ services of interest to our attendees in the exhibits area.

## Commercial Support Acknowledgement

The CME activity is supported by educational grants. A complete list of supporters will be published in the program guide.

## Resolutions of Conflicts of Interests

In accordance with the ACCME Standards for commercial support of CME, the American Society of Anesthesiologists and the Society for Ambulatory Anesthesia will implement mechanisms, prior to the planning and implementations of CME activity, to identify and resolve conflicts of interest for all individuals in a position to control content of this CME activity.

## Special Needs

The Society for Ambulatory Anesthesia fully complies with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any attendee in this educational activity is in need of accommodations, please contact SAMBA at (847) 825-5586.
