### SBI Fellowship Application Instructions

**Definition of an SBI Fellow:** a recognized leader in the field of breast imaging.

SBI Fellowship is among the highest honors bestowed upon members of the Society of Breast Imaging. In order to demonstrate leadership in breast imaging, the fellowship candidate should be able to identify sustained and verifiable success in at least **three** of the four following categories:

1. Breast-related scientific/academic accomplishment
2. Medical education related to breast imaging/breast disease, breast wellness
3. Administrative or Political activities impacting breast health
4. Service to Patients or to the Society of Breast Imaging

There are two application review cycles for SBI Fellowship: the Fall/Winter application cycle for induction at the RSNA Annual Meeting, and the Spring cycle for induction at the SBI Annual Symposium. Applications for 2026 SBI Symposium induction are due on **February 2nd, 2026**.

To apply for SBI Fellowship, please review the **full application criteria** before beginning your application. **All materials for your application must be submitted via this online portal.**

#### Criteria

- Achievement of 100 or more points, with a minimum of 40 points in the category of Publications. Publications must have a breast imaging specific focus. Three first-author publications in the category of Scientific Articles in a Peer Reviewed Journal are required.
- Nominations must be supported by two active Fellows in the Society. Letters of Support should come from active Fellows at different institutions; only one may be from the applicant's own institution.
- The nominee must be a full dues-paying general SBI member for a minimum of five continuous years up to the time of application. **Please confirm your eligibility with SBI staff prior to beginning your application.**
- Applicants must meet the minimum points criteria and submit complete applications by the deadline to be reviewed by the Fellows Committee. Incomplete applications will not be considered. It is the candidate's and supporting Fellows' responsibilities to ensure that applications are complete and points totals are accurate. Candidates whose applications are not accepted for SBI Fellowship must wait two years to reapply.
