

Veterans sail free. One night pays for the whole year.

Wednesday, November 11, 2026 · St. Francis Yacht Club, San Francisco · Guest of honor: **Admiral John Richardson, USN (Ret.), 31st Chief of Naval Operations**

THE ASK

VetsBoats takes service-disabled veterans, first responders, and their families sailing on San Francisco Bay at no cost to them. We have put over 500 veterans, first responders, and family members on the water so far in 2026, none of whom paid a dollar to come aboard. The gala is the one night that funds the year ahead.
