Registration Discount Considerations
All medical students and trainees local to the Boston area can register for the in-person meeting free of charge.
All residents, fellows, and PhD students presenting a paper or poster can receive a 50% reduction in their in-person registration rate.
There is a 15% discount for attendees who are from discount eligible countries. Eligible countries include those countries with low per-capita income (low and lower-middle) as defined by the World Bank List of Economies.
