Pam:

Please see below. Let me know if you need anything else.

1. During the last three years, what are the highlights of your accomplishments in the following areas?

The USFN Board / USFN as a Whole / Mortgage Servicing & Default Industry

Over the past three years, I have leveraged almost four decades of legal experience in the mortgage banking field and default servicing industry to support USFN's mission and strategic objectives. As a Board Member and active participant in the Advocacy Committee, I have worked closely with servicers, legislators, industry partners, regulators, and fellow members to address emerging legal and regulatory issues. I have contributed to USFN's advocacy and educational efforts by participating in industry briefings and sharing practical guidance on legislative, compliance, and operational developments impacting our members and clients, and believe I can continue in this role for another term.

2. In light of the complexity of issues facing our firms, our industry, and our organization, how do you see your role and responsibilities as a Board Member?

I view my role as using my experience to help connect the perspectives of member firms, servicers, and industry stakeholders while supporting USFN's advocacy, educational, and strategic initiatives. My responsibility is to bring practical industry experience to Board discussions, promote collaboration, and help ensure that USFN remains a trusted and influential voice for the mortgage servicing and default industry. I also speak for the smaller firms in a way that helps bridge the communication gap with larger firms.

3. What do you feel is the most significant contribution that you can make during your second term?

My greatest contribution is the combination of my long-standing industry relationships, operational experience, and active involvement in advocacy efforts.

4. Is there anything else you would like to share?

It has been an honor to serve on the USFN Board for three non-consecutive terms. I value the relationships I have built throughout the organization and remain committed to supporting USFN's mission, enhancing its influence within the industry, and helping develop the next generation of leaders.

Subject: Board Service - Second Term

Dear Jeff:

Thank you for your service on the USFN Board of Directors. USFN has done well in the face of significant industry changes, thanks in no small part to volunteers such as yourself. As you know, Board Members are eligible for two three-year terms. We are asking those Board Members whose terms expire this year and who wish to be considered for a second term to submit a letter expressing their interest in a second term as well as responding to the following:

1. During the last three years, what are the highlights of your accomplishments in the following areas:
 - The USFN Board
 - The USFN as a whole
 - The Mortgage Servicing/Default Industry
2. In light of the complexity of issues facing our firms, our industry, and our organization, how do you see your role and responsibilities as a Board Member?
3. What do you feel is the most significant contribution that you can make during your second term?
4. Is there anything else you would like to share?

Your responses will be shared with the voting members as part of the election process. The membership has final approval to confirm or deny a second term.

Please submit your letter to me no later than August 28, 2026

With thanks,

Pam
