

2024 WIN CONFERENCE
HEALTH AND EQUITY IN CHANGING ENVIRONMENTAL AND SOCIAL CLIMATES

Updated: February 29, 2024

Wednesday, April 17

12-8 PM

Conference Registration

Location: Grand Ballroom Foyer, Second Floor

1-2:30 PM

Integrating Sustainability Concepts into Nursing Courses and Curricula – *Open to all conference participants.*

Location: Grand A

Speakers: Jennifer Macali, Cheryl Armstrong, Marge Volkening, University of Utah College of Nursing
This workshop will introduce participants to environmental and climate topics related to human health. Learners will work in groups to discuss integrating these topics into courses. By the end of the workshop, participants will: 1) Describe the relationship of environment and climate change on human health; 2) Articulate the urgency to include environmental topics in nursing coursework; 3) Describe how environmental equity relates to health; and 4) Design a plan for integrating one environmental concept into a course or curriculum.

3-5 PM

Using Healing and Learning Circles to Find a Common Language: An Equity-Centered Trauma-Informed Approach – Presented by WIN’s Committee on Diversity, Equity, and Inclusion – *Open to all conference participants.*

Location: Grand A

Moderators: Marjorie Attis-Josias, PhD, RN, CNL, Assistant Professor, University of Portland School of Nursing & Health Innovations; Rana Halabi Najjar, PhD, RN, CPNP, Associate Professor, Oregon Health & Science University School of Nursing

Experts: Mercedes Piedra, MS, Director of Restorative Practices and Prep Medico, UC Davis Health; Rangineh Azimzadeh Tehrani, MA, CPF, Founder of Solh Resolutions International; Janay Young, DNP, PMHNP-BC, FNP-C, Assistant Clinical Professor, University of Arizona College of Nursing

A panel of trauma-informed (TI) experts and healers will lead participants in TI approaches to help us create safe, supportive, healing environments. Racial healing circles can provide the framework and praxis to support learning (unlearning and relearning) and reflecting focused on healing and liberation. At the conclusion of the session, learners will be able to: 1) Experience the power of listening circles for healing and reflection; 2) Reflect on language and its impact on hegemonic forces in nursing; 3) Learn how trauma-informed practices can provide spaces for collective healing.

5:15-6:15 PM

Western Academy of Nurses Panel – *Open to all conference participants.*

Location: Grand A

6:30-7 PM

Moderating Podium Presentations at a Professional Conference – *Open to all conference participants.*

Location: Grand A

Presenters: Cara Gallegos, PhD, RN, EBP-C, Associate Professor, Boise State University School of Nursing; Lauri Linder, PhD, APRN, CPON, FAAN, FAPHON, Professor, University of Utah College of Nursing

Members of WIN's Program Committee present the expectations of moderators, the principles of being an effective moderator, and tips for overcoming difficulties during a session.

Special Interest Group Meetings

Integrative Health Connection at WIN
Location: Salon I

Moderator: Mary S. Koithan, PhD, RN, CNS-BC, FAAN, Dean and Professor, College of Nursing, Washington State University

Integrative Health (IH) is a whole person/whole system approach to care that uses a full spectrum of strategies to improve health and wellbeing. In an integrative health approach to care, providers choose across a variety of evidence-informed choices that includes complementary/alternative modalities (CAM) as well as more traditional biomedical interventions. With the goal of choosing the best approach to care, IH is the ultimate interprofessional approach to care, drawing from a variety of practitioners, modalities and systems of medicine. WIN members with interest in research and education that has an IH focus are invited to creatively discuss how to support an integrative health presence at future research conferences through posters, presentations and symposiums.

PhD/DN Collaboration and Clinical Networking Special Interest Group

Location: Alpine Ballroom West

Moderator: Perry Gee, PhD, RN, Nurse Scientist, Intermountain Healthcare

The purpose of this interest group is to foster networking and collaboration among members with DNP and PhD degrees. Interest group members will have the opportunity to collaborate on abstract submissions, develop and implement projects, and provide collegial support to one another.

Trauma Informed Pedagogy in Healthcare Education

Location: Salon II

Moderator: Doria K. Thiele, PhD, CNM, RN, Associate Professor of Clinical Nursing, Oregon Health & Science University School of Nursing

Participants seek to generate new knowledge regarding trauma informed teaching practices through research, and to infuse trauma informed best practices into our teaching. Our members teach across healthcare disciplines and programs, with the common interest of creating trauma informed learning environments.

WIN Gero-SIG

Location: Alpine Ballroom East

Moderator: TBD

This interest group is building a cadre of gerontological nurses to advance the mission of WIN in the context of improving care of the older adult. WIN GeroSIG abstracts will be awarded for excellence in gerontological research, theory development/conceptual, and methodological papers. Small group sessions provide opportunity for participants to network and discuss future collaborations.
